

What to Know for CareerEXPO

EVENT INFORMATION AND LOGISTICS FOR SCHOOL GROUPS

CareerEXPO gives students the chance to explore real careers in a hands-on, interactive environment. The information below will help you prepare your group for a safe, smooth, and meaningful day on the Expo floor.

ARRIVAL & CHECK-IN

Upon arrival at GWCC Building A, school groups should report to the Schools Registration & Check-In Desk (1st Floor). Group leaders will collect adult name badges and student wristbands at check-in.

SAVE TIME AT CHECK-IN

To reduce wait times, all adults (teachers, chaperones, parents, and bus drivers) should pre-register for a badge by Tuesday, February 17. Scan the QR code or visit <https://tinyurl.com/VisitExpo26>.

DRESS CODE & SAFETY

The CareerEXPO floor is considered an active construction site. All attendees (students and adults) should wear:

- Closed-toed shoes
- Long pants
- Avoid flowy dresses or tops
- Safety glasses and hard hats will be provided on site

FOOD & LUNCH PLANNING

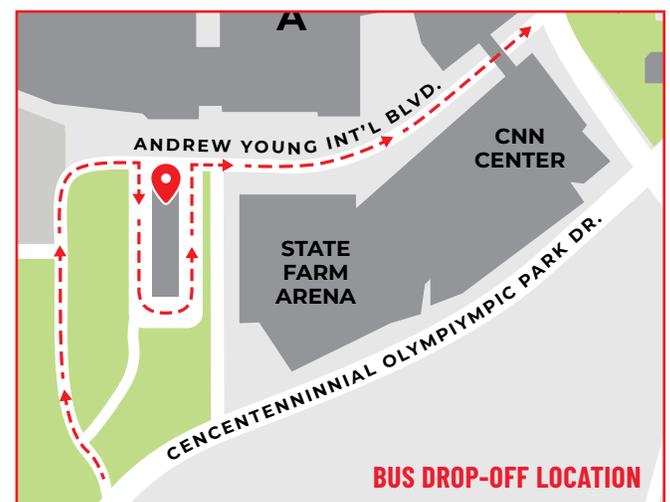

- Per Georgia World Congress Center policy, outside food is not permitted inside the venue. Food vendors will be available on site (card payments only).
- If purchasing lunch is not an option, we recommend bringing sack lunches to eat on the return bus ride, allowing students to maximize Expo time Expo floor.

BUS DROP-OFF LOCATION

The drop-off location for busses is the GWCC Transportation Center roundabout. Use the Google Map pin for directions. Bus greeters will be available on site to guide you into the event. Google Map pin: <https://maps.app.goo.gl/9zSfNM2wk49ULBpy7>
