

SCHOOL LEADERS, TEACHERS,
COUNSELORS, STUDENTS & PARENTS:
SAVE THE DATE!

The 2024 Construction Ready CareerEXPO

In conjunction with the 2024 SkillsUSA Florida State Championship

CareerExpo at a Glance

WHO:

Middle School and High School students interested in learning more about Careers in Construction. This is a perfect field trip for high school students enrolled in a construction class and any student enrolled in science, technology, engineering or math-related classes.

WHAT:

First annual Construction Ready CareerExpo. A unique opportunity for middle school and high school students to interact directly with construction industry professionals and to learn more about lucrative career opportunities in a hands-on, interactive way.

The CareerExpo will take place on the same floor as the 2024 SkillsUSA Florida State Championships. However, you do NOT need to participate or be a member of SkillsUSA in order to attend the CareerExpo.

WHY:

The construction industry in Florida is booming. According to indeed.com, there are more than 19,000 open construction positions throughout the state. At the same time, students need to know these opportunities exist and they don't all require a four-year degree. There are options for everyone in the construction industry and the CareerExpo will showcase these options in a unique, interactive and hands-on way.

**MONDAY, APRIL 15 and
TUESDAY, APRIL 16, 2024**
