PROVIDING PURPOSE AND OPPORTUNITY
Right now in the United States there are more than 260,000 open construction jobs. Construction Ready exists to help people of all ages and backgrounds find their purpose and take advantage of these opportunities.

WHO WE ARE
Construction Ready is a not-for-profit organization focused on building a skilled construction workforce. From school clubs to intensive skills training to hiring fairs, our work elevates the trades and connects committed individuals to high-paying construction careers.

Experiencing the drywall workshop in my Construction Ready class fueled my career. From that moment, I knew what I wanted to do in life.”
— Kaiveon Jones
Construction Ready Alumni & Apprentice, Anning-Johnson

HOW WE HELP PEOPLE AND COMMUNITIES BECOME CONSTRUCTION READY

High School Students
We help students connect with in-school construction training, internships and full-time employment opportunities.

Teachers & Administrators
We provide resources and guidance to teachers and administrators to start cross-curricular programs at elementary, middle and high schools.

Parents
We help young people find a great job and begin a long-term and rewarding career, usually without the burden of student loan debt.

Employers
We help employers find trained, credentialed construction professionals.

I’m earning $80,000 a year with ZERO student loan debt.”
— Jonathan Eller
Construction Ready Alumni & Foreman, C.W. Matthews
WHAT MAKES US UNIQUE

30 Years in Business
Construction Ready was founded by visionary industry leaders in 1993.

Relationships with Employers
We have nurtured partnerships with 18 trade organizations and more than 3,000 employers in Georgia and Florida.

Diversity and Inclusion
We value diversity and inclusion in our leadership and in our strategies. We recognize our industry’s need to be more attractive to women and people of color, and we implement our work accordingly.

Look how young I am. I have a house, and I have a job that really is a blessing. I try to bring that to my students’ attention that this could really happen for them, too.”

— Courtney Moser
Construction Ready Alumni & Welding Instructor, Thomson High School

OUR RESULTS

- 150K+ Students made aware of Careers in Construction
- 50K+ Construction Ready Students trained in Industry Fundamentals
- 10K+ Construction Ready Graduates placed into Full-time Careers
- 120% increase in female enrollment in Construction Ready Programs (from 17 to 38%)
- 70% of new Construction Ready Programs are in Title 1 Schools
- 90% of Construction Ready Pre-Apprenticeship Graduates are African-American

* Since 2014
